AMENDMENT

SIR:

In response to the Office Action dated May 29, 2002, please amend the above-referenced application as set forth below:

IN THE CLAIMS:

Please cancel claims 15-32, without prejudice. Please amend claim 1 as follows:

1. (Amended) A telecommunications fiber optic infrastructure, comprising:

A¹
a fiber center distributing frame which forms a cable interface from at least one remote equipment to at least one central office equipment, said fiber center distributing frame further comprising:

a fiber center distributing frame module having an outside plant portion, an inside plant portion, and an equipment cable port, said at least one remote
